Thursday & Saturday Book Exchange Program

The library appreciates all book donations. If you have nice hardcover books that might be used in their collection, please consider donating them directly to the library instead of using them in our store exchange program.

Please note: Thursday & Saturday are the only days for book exchanges

To be accepted, books must have titles we can sell in our store and meet the condition guidelines listed below

Condition Guidelines

Books need to be in good condition with both covers attached.

No rips, tears, stains or odors.

No pages falling out or coming loose and no broken spines/bindings.

No major writing or highlighting should be in the books.

Paperback spines should have no more than two creases.

All hardcovers originally sold with a dust jacket must include the dust jacket unless it is a book that is more than 50 years old.

Hardcover and large paperback novels (with the exception of the Classics) that were printed before 2015 are not eligible for credit.

We give 3 for 1 credit on books we can sell in the store
